### **Description Of Request:**

Dear Senator, Last Saturday about 3 pm at Tacoma airport it was denied to me the entrance to the USA holding a B1/2 visa for a period of two months. My propuse of the visit is so far NO working, NO studying, just visiting Profesor Ann Nelson at University of Washington. I am enrolled to the University of Durham in the United Kingdom. Now they are looking for a solution to my case and I would really appreciate if you are able and willing to help with some intervention to solve the problem with more intelligence and humanity.
